### **Executive-at-Large's Report - Suzanne Lanéry**

**October 12, 2019**

I have been engaged with this union since November 2018, when I came forward to serve as postdoc representative on the bargaining team that was formed to negotiate the first postdoc collective agreement. I was subsequently elected an executive-at-large in April 2019, to ensure appropriate representation of the post-doctoral researchers constituency in the executive committee (as per the new UGSW bylaws).

Besides taking part in most executive meetings since then, my main involvement has remained with the postdoc bargaining process. In the past 6 months, we have had 3 rounds of bargaining, totaling 10 days of negotiation, and I believe we are working toward an agreement that could make a real difference for postdocs at UNB, in terms of working conditions and protections.

I look forward to continue these efforts in the coming term, notably at our next bargaining round in January.

In solidarity,  
Suzanne Lanéry
