Executive Report – Vice President, Fredericton - Fady Botros

April 11th, 2019

Since November 2018, I have been re-elected as the Vice President, Fredericton of the Union of Graduate Student Workers at University of New Brunswick. It was a great experience working with fellow Executive Officers in performing our duties and serving our union members. We have also worked closely to revise our union bylaws to reflect the inclusion of post-doctoral fellows in our local.

I have also maintained our website and regularly implemented new updates to keep our members informed about latest union activities and events. I have been representing our members in various joint committees with the employer such as the Joint Committee for Intellectual Property Rights and the Joint Committee for International Student Workers. Additionally, I have been working as the steward for the department of Electrical and Computer Engineering at UNB.

I am looking forward to continuing serving our union and reaching out to current and new members spreading the word about our collective agreement and the rights and responsibilities it entails to each and every one of our members.

In solidarity,
Fady Botros
